August 30, 1921.

My dear Mrs. Benton:

This is to acknowledge the receipt of the photograph of your son, Edwin James Benton, and your very kind letter of August 30th.

In a few days I will send to you a biographical blank which I will thank you to fill for the material I am gathering preparatory to issuing the Gold Star Book.

Again thanking you and assuring you that I will call upon you if I need further information for I am very anxious to make this book a suitable memorial to those precious boys who gave their lives that we might continue to be a free people, I am,

Sincerely,

Director.

Mrs.J.O.Benton,

Montgomery, Ala.
