Mrs. M. B. Owen, Dr.,
Department of Archives & Hist.

Dear Madam:

Several months ago I received a letter from you requesting a photograph and short sketch of my son, J. E. Bumby who lost his life in the service. I forwarded this material to you which was to be used in compiling a book.

I have never heard if the book is completed. Will you kindly tell me when I may expect a copy.

Thanking you for any information you may give, I remain,

Very truly yours,
L. E. Bumby
