Thomas M. Owen,
Montgomery, Ala.

Dear Sir:-

In reply to your request concerning my son I will say I have been trying to get some information from some young men who were with him during his ser-

vice in the World War. I hope to get it in a few days, after which I shall be more than glad to furnish you with the same, and also send one of his pictures.

Thanking you for your kindness in advance, I am very respectfully yours

Mrs. E. C. Clanahan
