My Dear Mrs. Owen:-

I appreciate your letter of Jan. 16. I know fairly well that you would take good care of any thing concerning the deceased soldier of a war mother, I was wondering if the Star Book had been completed and so wrote you. And now I would ask another favor of you. Will you please send me a duplicate copy of the family history I sent to you? I am trying to get

arrangements made so that I can join The U.D.C.

I dislike to bother you faither but some of my papers ~~are lost~~ that contain important data on that line are lost.

I do not ask return of my loved ones' picture until you have finished with it.

appreciating your kindness and thanking you for favors

I am sincerely

(Mrs.) Frances Doss,
