Mrs. Marie B. Owens,
Montgomery, Ala.

Dear Mrs. Owens:—

In November 1921 I sent you the required information for the Gold Star book which you asked me for. At the same time I sent you a highly valued picture of my son and a stamped envelope ~~to know if you ever received to~~ let me know

if you received the picture. I have never heard from you nor received my picture which I supposed you would return when the book was compiled. If the picture has been used I will consider it a personal favor if you see that it is returned at once.

Please let me hear from you promptly.

Very sincerely

Mrs. Frances Doss
