Dear Sir:

This is to say that I have the picture which you sent me of Bugler Owen Fowler, and the biographical data with the picture. On account of it being so hard to get people to answer it will be some months before the book is published. When this is done I will return you the picture unless you want it sent to Tuskegee to be kept with the other colored soldiers pictures which will be deposited there. Let me hear on this point.

Respectfully,

Director.
