My dear Mrs. Owen —

I am sending today the sketch of John Wm. Johnston accompanied by his photograph. This photo was used by a company getting up a similar work so I thought it would be all right for your use. If not, please let me know and

I will send you a fresh one.

I am very glad that you are at work on a record of this kind as I think it most appropriate and needed as well. Wishing you success in this enormous undertaking.

I am sincerely,

Helen Johnston (Mrs. J. H.)
