O/vb

October 23, 1922.

My dear Friend:

It has been so hard to get the next of kin to send pictures and material about the dead soldiers of the World War that I have not yet used what is on hand. Please let me keep the picture of your son until I have had a chance to use it. I will take good care of it and it will certainly be returned to you when I have finished with it.

Cordially,

Director.

Mr. Jason P. Ford,
Hamilton, Ala.
