

EXECUTIVE ORDER NUMBER 6

WHEREAS, in these times of economic and fiscal stress it is vital that the State of Alabama provide essential governmental services in the most economical, effective, and efficient manner; and

WHEREAS, the efficient and economical provision of such services is necessary so that our Alabama citizens be assured that their tax dollars are being expended as wisely as possible; and

WHEREAS, prominent and outstanding leaders of business and industry in this state have gratuitously volunteered assistance in a joint effort with Alabama state government personnel in performing a detailed and comprehensive examination of providing such state services.

NOW, THEREFORE, I, Guy Hunt, Governor of the State of Alabama, under and by virtue of the authority vested in me by law, do hereby create and establish the Alabama Management Improvement Program. I authorize that the program shall include the study and analysis of the Executive State Departments and other agencies that request help through a process that integrates the experiences of state employees and private sector business executives to ascertain the means, methods, and manner in which the services of the State of Alabama may be delivered to our citizens in the most efficient, expeditious, and economical manner. To this end, I hereby authorize the formation of a not-for-profit corporation with appropriate powers and authority to supervise, control, and direct the Alabama Management Improvement Program in carrying out the intent of this Executive Order. Also, I authorize and empower this not-for-profit corporation to select and retain as its agents and assistants such executives and experts from business, industry, and state government who are skilled and experienced in the conduct of private enterprise and state government. To assist in the undertaking, I also authorize said not-for-profit corporation to create and manage advisory groups as it deems necessary to achieve the objective of the program.

FURTHER, I charge every officer and employee of this state to participate when requested by said not-for-profit corporation, to work with its representatives, to provide full and complete information concerning their respective departments, divisions, agencies, bureaus, boards, and commissions or other official branches of state government, and to give to the not-for-profit corporation and its agents every assistance in the performance of their duties; and

Upon completion of its work, the not-for-profit corporation shall render to me a full report of its findings and such recommendations as it has developed during its work with the departments and agencies.

This Executive Order shall take effect immediately.

DONE and ORDERED this 30th day of March, 1987.

GUY HUNT
Governor
