My Dear Mrs. Owen:-

Some time ago I sent
in some papers which you
had sent to me to fill out
concerning family history of
of my son Perry Edward Doss.
but I forgot to send the picture
I am sending it in today's
mail. we sent it to another
party and they almost spoiled
it and did not send us the
book either. We can't find them
or get our money back.

If you received the papers I
sent you, the biographical
sketch, please let me know or
send me some more blanks
and I will fill out and send
them again.

Wishing you a pleasant
and a prosperous New Year
I am Mrs. Frances Josephine Doss.
