Mrs. Marie B. Owens, Director,
Montgomery, Ala.

My dear Mrs. Owens:

I herewith return the Biographical Memoranda which was made out by Mr. Goodson, and after looking over it, if you find that you need further information by writing him at Booth, he will try and get up further data. This seems to be about a near complete as he was able to give it to my stenographer, and we hope this will be all that is necessary for your files.

Yours very truly,

C. E. Thomas
