Sept. 29, 1921.

My dear Sir:

In preparing a Gold Star Book for Alabama's dead during the World War, I find it very difficult to get all necessary material.

Will you kindly furnish me with the personal and official record of Andrew Pace Haynes of Anniston, Ala., who at one time on the gunboat Yorktown, under Capt. W.P. Perrill.

Thanking you, I am,

Respectfully,

Director.
