Dear Mrs Owen-:

I have received this day a Silver Star with service medal for my son the late Corp. William S. Hughes

The Silver Star is for gallantry in action

Are you through with the photographs I sent you of my son

The T. in my name is for Tallulah and I am wondering if Mrs Tallulah Broxson didnt name one

At any rate some ladies
paised by my fathers home
on their way to Tuscaloosa
I think they spent the night
there and were traveling by
stage coach, They insisted
that my mother and father
should name me Tallulah
and call me Tallu it seems
that they were coming from Montevallo
school over to Tuscaloosa school
in June 1869

Sincerely Yours
Mrs Lena J. Ford
