Contact Your US House Representative

Your assistance is needed **NOW** to contact AL members of the US House of Representatives to sign on as co-sponsors for the Partnership for the American Historical Record (PAHR), H.R. 6056. This legislation would provide regular funding to the states for projects to preserve and make more accessible historical records.

Act Now! Here is a link to the Action Alert from the PAHR Chair that provides most of what you need to know: <http://www.archives.alabama.gov/hrb/PAHRSActionAlert.pdf>

In contacting members of the Alabama's delegation, please be sure to point out that regular funding is needed to ensure a future for Alabama's documentary heritage. Securing numerous co-sponsors is critical to passage of PAHR.

Background:

Federal funding for historical records projects has been made available to Alabama periodically, and has assisted many useful projects. Most has come from the funding arm of the National Archives, the National Historical Publications and Records Commission, and distributed on a competitive basis, at various times, through the AL Historical Records Advisory Board.
