

**Alabama's
National Historical Publications and Records Commission (NHPRC)
funded Projects, 1976 - 1998**

Records Projects

City of Birmingham, Birmingham, AL

\$9,000 to survey, inventory, and accession official records of the city as the first step toward an archival program. (78-031)

Auburn University, Auburn, AL

\$2,000 to clean and copy for preservation nitrate photographic negatives in the J.F. Knox Collection. The photos relate primarily to the history of Birmingham from 1890 to the 1940s. (78-046)

Auburn University, Auburn, AL

\$10,050 to preserve and make available historically significant glass plate negatives from the J.F. Knox collection. The photos relate primarily to the history of Birmingham from 1890 to the 1940s. (79-071)

University of South Alabama, Mobile, AL

\$18,870 to preserve and make available negatives from the Erik Overbey Collection, a large commercial photograph collection documenting the history of Mobile since the 1880s. (80-086)

Alabama Space and Rocket Center, Huntsville, AL

\$2,500 for consultation in planning an archival program. The center's holdings include papers of Wernher von Braun and others who were instrumental in the development of rocketry from the beginning of space flight to the late 1970s. (81-072)

Birmingham Public Library, Birmingham, AL

\$20,154 to arrange, describe, and prepare selected duplicate negatives and prints of the records of the Birmingham Water Works Co., 1880-1955. (82-027)

Alabama Department of Archives and History, Montgomery, AL

\$37,561 for an improved records management program and the development of uniform records control systems for the State Archives. (83-014)

Alabama State Historical Records Advisory Board, Montgomery, AL

\$25,000 to analyze the current condition of historical records in the state, identify problems, frame potential solutions, and outline actions that can be taken. (83-070)

Birmingham Public Library, Birmingham, AL

\$74,379 to establish a records management/archives program for the City of Birmingham and to provide a model for other large cities in Alabama, none of which currently have such a program. (84-135)

City of Mobile, Mobile, AL

\$33,700 to arrange and describe archival records held in the Mobile Municipal Archives. The records date from 1815 to the present. (85-127)

University of South Alabama, Mobile, AL

\$10,840 to preserve and make available 3,600 photonegatives in the S. Blake McNeely Collection. McNeely, a free-lance photographer, documented the physical environment and the social and economic events of the Depression and early war years in Mobile (1934-43). (86-047)

Alabama Department of Archives and History, Montgomery, AL

\$156,831 for a project, in conjunction with the New York State Library Manuscripts and Special Collections Section, to develop and test standardized procedures for the description of archival map holdings. (90-034)

Alabama Department of Archives and History, Montgomery, AL

\$300,000 for a two-year regrant project focusing on local government records. Both local governments and depositories with legal authority to hold local government records would be eligible to receive regrant funds. (93-069)

Under the Local Records Regrant project the following 36 organizations received funding for processing, making accessible, storing, or microfilming valuable local records:
