## Student Writing Exercise 3

Designed for ADAW (Alabama Direct Assessments of Writing) Preparation

### DEFINITION OF NARRATIVE WRITING

NARRATIVE WRITING relates a clear sequence of events that occurs over time. Both what happens and the order in which the events occur are communicated to the reader. Effective narration requires a writer to give a clear sequence of events (fictional or non-fictional) and to provide elaboration.

### NARRATIVE PROMPT

Choose a photograph from *The Everyday Faces of Alabama Black History* online exhibit. Choose a person in the photograph and write a story about that person's day from the time they wake up in the morning until they go to sleep at night.
